## ESGE Official Host Unit approval

Dear Dr Razov Radas, dear Melanija

On behalf of the ESGE Executive Committee it is my great pleasure to let you know that the Endoscopy Unit of the Internal Medicine Clinic, General Hospital Zadar is now an official ESGE Endoscopy Training Centre.

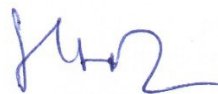

Your endoscopy unit will be added to the training center catalogue to be posted on the ESGE website and the applicants will have the opportunity of selecting your unit for training taking place in the year 2026.

We thank you for this valuable contribution to the ESGE fellowship grant programme and look forward to our future collaboration.

Yours sincerely

Ian M. Gralnek
